

Manrex Sponsors Manitoba Marathon Team

June 22, 2009

For the second year in a row, Manrex is proud to have sponsored a Marathon Relay team that participated in the Manitoba Marathon on Sunday June 21, 2009.

The Manrex team this year included 4 Manrex team members and Mathilda Prinsloo, a local Winnipeg pharmacist originally from South Africa.

The team did well to finish in just over 5 hours, and was lead by its first leg runner, Manrex General Manager Neil Fast, who went on to finish his first half marathon. Rounding out the team were Robert Campbell, Daniel Collette, and Mark Krueger.

Manrex is pleased to support its Marathon team in an effort to promote a healthy lifestyle and to encourage a culture of team-work. It would be safe to say that none of the 5 participants would have been able to complete the 26.2 mile marathon on their own, but by working together the group accomplished the challenging goal.

Since 1979, the Manitoba Marathon, through the financial support of its runners and sponsors has raised over \$4 million in support of Manitobans who live with an intellectual disability. Manrex is proud to have participated in such a worthy cause.
