

# Manrex increases presence in Quebec

## Re-launch of French Website

Following the re-launch of French Website, Manrex increases coverage in Quebec.

February 24, 2011 - Winnipeg, Canada – Manrex Limited is pleased to announce its further expansion in the province of Quebec.

To ensure outstanding representation in the province of Quebec, Manrex Limited has increased its presence. “In addition to our existing team of, Doris Boudreault, Robert Campbell and Daniel Collette, we are excited to announce the addition of our newest team member, Suzanne Talbot,” states Ben Szuuts, Sales Manager for Manrex Limited.

“As Canadian health care systems continue to advance and change, our customers need to rely on professional, knowledgeable representatives in addition to quality innovative products. As the demand for quality products and people increase in Quebec, we are pleased to respond with additions to our Quebec Care Team in order to stay ahead of the demand,” states Szuuts.

Doris Boudreault has been with Manrex for close to 20 years and specializes in the long term health care sector. With expertise in medication carts, Controlled Dosage Systems, compliance packaging and medication crushers, Doris continues to provide valuable knowledge and support in the Quebec market.

Robert Campbell’s specialty is the Manrex automation portfolio, working specifically with the PentaPack, bulk unit dose packager for acute central fill hospital pharmacies, the MDM Medication Detection Machine which verifies the contents of strip packaged medications and the RIVA (Robotic IV Automation).

Our newest member to the Manrex team, Suzanne Talbot is concentrating on the community care sector of Manrex Limited’s product line. She is representing MediCase, Pill Pak, Kirby Lester pill counting/dispensing equipment to pharmacies across Quebec and the Maritimes.

Daniel Collette is our dedicated French Customer Service Representative and handles all inquiries from our new and existing Quebec customers. With three years of experience in the Customer Service field and his ability to handle a variety of issues with speed, accuracy, and dedication to professionalism, Daniel is a great asset to both our Quebec Care Team and our customers.
